

# The Value of n4a Membership

## National Advocacy and Representation

- n4a's public policy and advocacy efforts provide members with a **national voice**; representation and advocacy on Capitol Hill with the Administration; and a powerful grassroots network vital to having a national impact.
- Members receive **information and preparation on aging policy issues** including: legislative analysis of federal policy, advocacy tools and calls to action that make an impact.
- Local and national promotion of aging services and our members via n4a's media outreach that raises the **recognition and visibility** of the value of the Aging Network.
- Notification of funding opportunities, emerging trends, new resources and other news you need to know in the weekly ***Answers on Aging* member-only newsletter**.

## Technical Assistance

n4a offers a number of programs designed to address the issues our members face, allowing us to provide **individualized technical assistance** on a variety of critical issues through our:

- National Aging and Disability Business Center
- Integrated Care/Managed LTSS Program
- Aging Network Capacity Building Program
- Eldercare Locator National Call Center
- National Aging and Disability Transportation Center
- Aging Network's Volunteer Resource Center
